Hi Bob,

Sorry for the confusion - yes, this counts as an invitation. Hope you can make it.

See you tomorrow, Kate

Hi Kate,

When I talked to Jeff on Monday, he mentioned these meetings and asked about my interest and willingness to participate. I said I was willing, but he said he would have to check on some things before inviting me.

Is this the invitation, or is Jeff still checking on stuff?

Hi all,

Attached is the draft agenda for the Bristol Bay mining meeting beginning tomorrow. Please let us know if there's a specific topic you'd like to cover, that's not currently reflected on the agenda.

Thanks, and see you soon.  
Kate

We are working on a statement of objectives and a working agenda. However, I wanted to get word out concerning logistics. See below. Please send me a note confirming your attendance in person, or remotely. Let me know if I forgot anybody!

Jeff

Bristol Bay Watershed Assessment
Mine Scenario Team Meeting
September 20-21, 2012

Logistics: The meeting will be held at EPA's Potomac Yard campus in Arlington, VA. We will meet in conference room N-7731, which is on the north side of the Potomac Yard North Building, also known as Two Potomac Yard. The address for the building is 2733 South Crystal Drive, Arlington, VA 22202. Those having a valid EPA badge will be allowed access to the seventh floor. Others will need to sign in at the guard desk in the lobby and call for an escort. Please use my cell phone: 410-336-8535.

Schedule: We plan to commence our meeting promptly at 9:00 am on Thursday, September 20 and work until approximately 4:00 pm, taking breaks and lunch as needed. At 4:00 pm, we will join the Bristol Bay Assessment Technical Team in a general discussion of the entire peer review panel report and revisions to the report. On Friday, September 21, we will continue our mine scenario team meeting at 8:30 and work until approximately 4:00 pm.

Remote connections: We encourage all participants to attend in person. However, we are arranging to have a videoconference link with a conference room in EPA's Cincinnati office, and are making a teleconference line available. The teleconference details are:

Nonresponsive Conference Code

with the conference code

Nonresponsive Conference Code

Should you encounter difficulties, please call me on my cell phone.
